v.

JOHN E. POTTER, POSTMASTER GENERAL
Defendant

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION
COMPEL DEFENDANT TO RELEASE DISCOVERY 2nd request (portion)

Dear Honorable Judge William H. Alsup:

Mr. Simmons said in court that he would furnish me with Plaintiff's final Discovery (portion) by June 25, 2008 so that I can/will prove that the agency wronged me. I have asked him if he needed more time to let me know, even given him 2 weeks before I made a 2nd request; and to this day I haven't heard from him. I was singled out to receive different treatment, given more mail to case and deliver on a regular bases, treated harsh and different from the other carriers, retaliated against by letting me go by fraud, after I complained of hostile working conditions, they tried to cover up their acts of discrimination against my person, my civil rights were violated. I wrote to Your Honor asking him to intervene in a letter dated July 24, 2008 and I haven't received a response. **Please!** Your Honor, intervene ordering the Defendant to release Plaintiff's discovery request (portion) that I may obtain **the dates Driving Observation was performed on the carriers who started when I did: their names are Sam Carey, Phillip Hong, Germil Libatique, Juan Ramirez and Monette Zuasola; when did each carrier complete the route assigned to them from personnel unassisted or any route, this information can be found on the Probation Period Tracking For RCA's.** Darcie Kibodeaux observed me twice and only gave me one observation sheet; but furnished two for the EEO investigation which clearly shows she discriminated against me and trying to make it look like I was mishandling the mail and was driving reckless. Thank you for your assistance in the matter. **What was done wrong and underhanded to me needs to be made right by the Defendants.**

Sincerely,

Katherine Williams Pro Se
